IEEE T-IV format self-check (completed copy)

Manuscript: *Does the Conformal Guarantee Travel? Measuring, Auditing and Repairing Coverage Loss in Cross-Dataset Trajectory Prediction* **Authors:** Hassan Waqas Saleem, Rahat Zeeshan Saleem, Hina Maryam **Paper type:** Regular paper **Prepared:** 2026-10-27

The T-IV page states that the checklist "must be included with both new submissions and resubmissions" and that it is completed by "verifying and marking each item on the corresponding box". The boxes themselves are ticked in the TIV Author Portal; this file records the evidence for each box. Source: https://ieee-itss.org/pub/t-iv/

Checklist item (T-IV wording)	Status	Evidence in the manuscript
Disclose any Conflict of Interest (COI)	**Done** (authors must confirm)	Section "Conflict of Interest" states that the authors declare no competing financial interests or personal relationships.
Institutional email address of all co-authors	**Done**	First-page footnote: hsaleem.msee20seecs@seecs.edu.pk, rahat.mscm21nbs@student.nust.edu.pk, hina.maryam@kinnaird.edu.pk. The corresponding author confirmed that all addresses are working and in use.
No non-English characters in the author's information	**Done**	Author names, affiliations and e-mails are ASCII only (checked in main.tex).
Detailed response letter (resubmission only)	Not applicable	New submission.
Highlighted revised manuscript (resubmission only)	Not applicable	New submission.
Use the IEEE Template Selector to access the TIV template	**Done**	IEEEtran document class with the journal option (lettersize), unmodified.
Font type and size	**Done**	Template defaults (Times, 10 pt); all 30 fonts in the PDF are embedded, none Type 3.
Double-column layout, standard line and paragraph spacing	**Done**	Template defaults; no spacing overrides.
Title and subtitle format	**Done**	Title case; no subtitle.
Author list without email address or affiliations (under title)	**Done**	Only the three names appear under the title; affiliations and e-mails are in the first-page footnote, as in the IEEE template.
Standard format of figures and tables	**Done**	Captions below figures and above tables (IEEEtran), numbered, referenced in the text. Figures are vector PDF, 3.45 in wide (column width 3.5 in), fonts embedded.
Formatted references (justified alignment, hanging indent, consistent journal name)	**Done**	IEEEtran bibliography style; 65 references, all cited; identifiers verified (see AUDIT_REPORT.md). Journal names are written in full throughout.
Short biographies for all authors	**Done**	Three biographies at the end of the paper (text only; photographs are requested with the final files).

Paper length: 10 pages including references and biographies (suggested length for regular papers: 10 pages). Abstract:

248 words, one paragraph, no abbreviations, footnotes, references or equations. Index terms: four.
